State of Georgia to Disburse \$8.3 Million in Rebates

Are you thinking about what to give your significant other for Valentine's Day? Why not give the gift of energy savings...and then the state of Georgia will return the gift to you!

Georgia has received approximately \$8.6 million in federal stimulus money which will allow Georgians to take advantage of rebates for purchasing certain Energy Star appliances. This rebate program begins on February 12th and below are a few guidelines on how we understand the program will work. Be sure to visit www.georgiarebate.com for full program details before purchasing your Energy Star appliance.

- The rebates will range from \$25-\$199.
- You must purchase an Energy Star appliance in person. A complete list of qualifying appliances can be found at www.georgiarebate.com.
- Purchases made before February 12th are not eligible.
- You can apply online at www.georgiarebate.com, and will need to mail the application confirmation with the sales receipt within 30 days of your online application.
- Rebates will be distributed in the form of a Visa prepaid debit card.

Remember, in addition to the rebates described above, Sawnee EMC offers several energy related rebates for energy efficient upgrades that you make to your home or business. Visit us online at www.sawnee.com/energy for complete details.
